"Education is the most powerful tool which you can use to change the world."

-Nelson Mandela

Congratulations Jaylah!  
Love Mom, Dad, Grandma, Denine,  
Samone, Shantell, Zaniya & Kayden.

Great Job!!

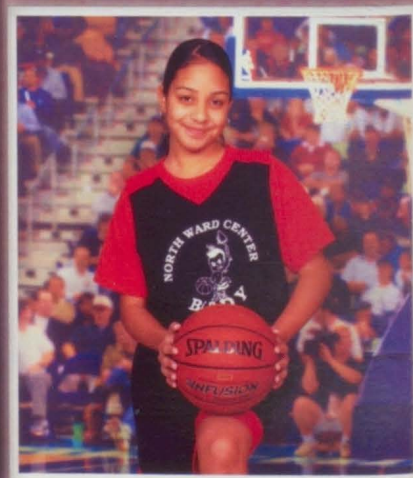

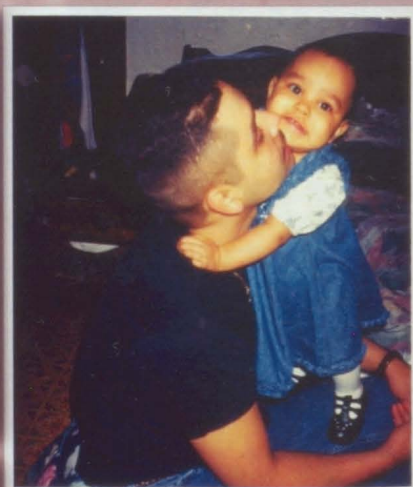

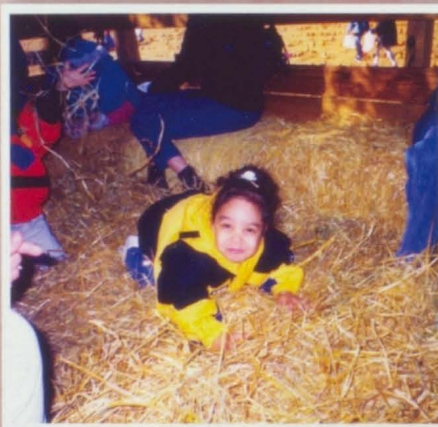

I thank God for allowing me the opportunity to be blessed with a daughter as special as you. I have watched you grow up to become an amazing young lady ready to take on the world. You have made us proud. We love you.

To Jarilin,  
Before you are born  
parents dream of what you  
can be. They never realize  
how amazing a person  
can truly be.  
Love always,  
Mom

Cristian, my one and only son. I'm so proud of you. I love you very much and always remember this, "Never underestimate the power of you. You are the architect of your future.

Design it however you desire!" Hard work pays off as long as you believe in yourself.

Love always,  
Mom

Dear Class of 2013, Nothing can ever stop you but you.

Never be afraid of taking a left turn instead of a right, as long as you have your goals in mind you will find happiness down any road.

Just make sure you never stop driving forward. Good luck and remember to always help others in need, smile when no one else will and the smiles will come right back to you.
